By car:

- Take the A9 Munich-Nuremberg Autobahn and exit at Garching NORD for "Forschungsinstitute"
- Turn left for Freising at the first traffic lights
- Turn right at the next traffic lights and left to the car park after 20 meters
- Please ring at the gate

By public transport:

- Munich underground line U6 connects the Garching Research Center with downtown Munich every 20 minutes, with trains running every 10 minutes during commuter times.
- Please exit at the "Garching Forschungszentrum" underground station in the direction of travel for "Lichtenbergstraße" and turn left after the stairs. This will take you to the Main Entrance of the Faculty for Mechanical Engineering. Please walk by this building to the right until you reach Lichtenbergstrasse. Walk down Lichtenbergstrasse until shortly before the traffic lights for the last driveway on the right and cross the car park to GATE (a u-shaped building with long and narrow windows); about 8 minutes on foot.
